Dear Arizona Board of Psychologist Examiners:

This letter is to notify the Board of recent changes in my contact information and to apprise the Board of the following events. Recently, my wife, Mrs. Maria Kleine Kent, RN departed. This was not entirely unexpected as I asked her to either cease and desist from diverting prescription medications to our residence and get an assessment for the possible need for treatment or leave.

Nonetheless, prior to the time she left and subsequently, Maria threatened to go to the Board regarding my license should anything untoward happen to her licenses. Actually, this threat was rather mild and was buried within several other threats. There are other more serious issues involved other than her problems with addiction.

Unfortunately, this situation escalated on November 6, 2005, when Maria had her former husband call and deliver their threats to me and upped the ante so to speak. Major Muhammad Khan told me that they are planning upon charging me with many allegations and some of those were quite creative. According to Khan, "We will make sure that John Kent never practices psychology again."

Nonetheless, the most heinous of these false allegations that they attempted to extort me with were "sexual assault" and "rape." They want me to suppress and withdraw evidence. Accordingly, I have filed Police Reports with the Chandler Police and the United States Air Force.

Because of this harassment, I have had to change my contact information. I continue to reside in Florence and in Chandler at the house on 933 West Azalea Place. I have closed PO Box 11735 in Chandler, and I now use PO Box 2325 in Florence almost exclusively for all mail professional and personal. It would be preferable that the Board contact me at the Box 2325 Florence address as needed. This is the same as the previous address.

Additionally, I have had to change my email address and my telephone numbers. My new home number is (480) 292-2711, cell phone is (480) 861-9221, email is Joe_Tule@cox.net, and my work number as of this Monday November 28 will be (520) 868-0201. This is the same number as before.

Sincerely,

John Taylor Kent, Ph.D.
Psychologist
